Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170  
and NSD File No. L-00-72.

Dear FCC:

raising the cost of wireless communication is not right, we all pay enough  
already for wireless. prices keep going up eventually people will be dropping  
their wireless communication. So dont raise prices any more. Thanks Jeff

Thank you for your prompt attention to this matter. Please provide a written  
response indicating the status/resolution of this matter.

Very truly yours,

jeff
